

SABINO CANYON VOLUNTEER NATURALISTS
CORONADO NATIONAL FOREST
5700 N. Sabino Canyon Road
Tucson, Arizona 85750

Dear

We are pleased that you have chosen Sabino Canyon as a field trip for your class . This letter confirms your reservation for (day) (date), arriving at approximately a.m.. Please remember that all SCVN docents are volunteers and will need assistance from you and the parent chaperones you bring to make this an enjoyable and educational experience for your students.

We urge you to go to our website, www.scvntucson.org and click on the TEACHERS INFO' (Elementary) at the left side of the HOME page. You can review all our programs to determine which one best meets the curriculum for your grade.

About a month before your field trip a Volunteer Naturalist Day Captain will call or email you to discuss the activities described on the website and to work out the details of your field trip. It is very important that the lead teacher for the field trip be in direct communication with the Volunteer Naturalist Day Captain so that the appropriate equipment and number of Volunteer Naturalists will be ready for you and your students when you arrive. **Failure to respond to the Day Captain in a timely manner could result in the cancellation of your reservation.**

In fairness to our volunteers and other schools, any changes or cancellation should be made at least two weeks in advance of your scheduled date. This would allow us to inform our Volunteers of the change or schedule a school on the waiting list.

Since our program is designed for grades1-6, we ask that your parent chaperones NOT bring preschoolers with them.

If you have any questions, please call the Scheduling Information Line (751-4766) or call your Volunteer Naturalist Day Captain at the phone number he or she will give you when you are contacted a month prior to your field trip.
ENJOY SABINO!
